

Game Props & Exotics Rules

Longest Field Goal

The longest field goal (length in yards) by either team. IF there is no field goal in the game, then the winning selection will be under.

Longest Reception / Rush / Completion

The longest reception / rush / completion (length in yards) by the nominated player. If the player participates in the game but does not record a reception / rush / completion, then the winning selection will be under.

Team To Win Every Quarter (3-Way) (NBA)

This bet is graded as a win if the team wins every quarter in the game outright (i.e. bet loses as soon as one or more quarter is drawn or lost by the selected team).

First Drive (NFL)

The NFL considers opening kickoffs part of the first drive. So a fumble or a touchdown on the first kickoff is considered the first drive of the game.

Double Result (American Football / Basketball)

This market excludes overtime and is settled based on the score at the end of regulation.

Correct Score (NHL)

This market is settled based on the score at the end of 60 minutes and therefore excludes overtime.

Team Total Touchdowns

The total number of Touchdowns a single team made in the match.

Team Total Field Goals

The total number of successful Field Goals a single team made in the match.

Time Of First Score (X Mins Elapsed)

Overs: IF the elapsed game time is equal to or more than “X” minutes, then the bet is a Win. Else the bet is a Lose. Unders: IF the elapsed game time is less than “X” minutes, then the bet is a Win. Else the bet is a Lose.

3 Straight Scores By Either Team

Three scores made consecutively by either team (Touchdowns, Field Goals or Safeties only).

Team To Score First/Last

Home or Away team to score the first/last point of the match

Highest Scoring Half

First half or second half of the game to have most points scored by both teams. IF there is overtime, any scores made during this are ignored. IF the scores are equal, the bet will be resulted as a draw/push.

Race To X Points

Home or Away team to be the first to reach “X” amount of points. IF both teams fail to score “X” amount of points, the bet will be resulted as a draw/push.

Safety

Home or Away team to score a Safety

Big Win Little Win

The winning margin for the Home or Away team. Home/Away Win 1-13 pts: IF the team wins and wins by a margin up to and including 13 points, then the bet is a Win. Else the bet is a Lose. Home/Away Win 14+ pts: IF the team wins and wins by a margin of 14 points or more, then the bet is a Win. Else the bet is a Lose.

Largest Lead (Either Team)

The largest lead (points margin) between the teams at any point during the match. Either team can lead.

Will Home/Away Team Score First Drive

Home team to score on their first drive

Defensive Or Special Teams TD Scored

Defensive or special teams touchdown scored by either team.

a) The only touchdowns considered to be special teams touchdowns are on plays where the ball is actually kicked or punted (these include: kickoff returns, punt returns, returns of a fumbled kick return, returns of a fumbled punt return, blocked field goal returns, or blocked punt returns).

b) A fake field goal or fake punt which results in a touchdown by the team that snapped the ball is an offensive touchdown.

c) Defensive touchdowns are considered to be when plays have an interception or a fumble return.

Longest Touchdown

The longest touchdown (length in yards) by either team. IF there is no touchdown in the game, then the winning selection will be under.

Any Team To Score 40+

Home or Away team to score 40 points or more.

Both Teams To Score

Both Home and Away teams to score at any time during the game

First Score Of Game Is Touchdown

The first score of the game will be a Touchdown made by either team.

Team To Score First/Last Wins

The team that scores the first point/last point of the game will also win the game.

Will There Be Overtime

IF the match is tied at the end of regular time and overtime is played.

Will There Be A Scoreless Quarter

Zero points scored by either team in one or more quarters.

Total Points Odd

Will the total match points (both teams) be an odd or even number. Zero is considered an even number.

Total First Downs

The total number of First Downs made by both teams.

Most First Downs

Home or Away team to have the most First Downs. IF the scores are equal, the bet will be resulted as a draw/push.

Was First Shot In The Game Made

Was the first shot attempt in the game scored or not. IF first shot attempt results in a Foul and that same shot attempt missed, then the bet result is a Push. IF first shot results in Foul and the shot attempt was made, then the bet result is a Win. For the avoidance of doubt, this market's settlement does not include any free throw attempts made or missed.

Was First Shot Attempt Of The Game A 3pt FG

Was the first shot attempt in the game a 3-Point Field Goal or not. IF first shot results in Foul with 3 free throws awarded, then the shot attempt is deemed to be a 3pt FG and the bet is a Win. Else the bet is a Lose.

Team To Score The First 3pt FG

Home or Away team to score the first 3-Point Field Goal of the match

Home/Away To Make Their First Shot Attempt

Home/Away team to score on their first shot attempt. IF first shot results in Foul and shot missed, then the bet result is a Push. IF first shot results in Foul and shot made, then the bet result is a Win.

Home/Away First Shot Attempt Is A 3pt FG

Was the Home/Away team's first shot attempt in the game a 3-Point Field Goal or not. IF first 3pt shot results in Foul and shot missed, then the bet result is a Push. IF first 3pt shot results in Foul and shot made, then the bet result is a Win.

Total 3pt FG Made In The Game

The total number of 3-Point Field Goals Made by both teams.

Both Teams To Score X+ Points

Both Home and Away teams to score "X" points or more

Will There Be A Score In 1st Inning

Home or Away team to score in the first inning.

Will There Be Extra Innings

IF the match is tied after 9 innings and extra innings are then played.

Team With Most Hits

Home or Away team to have the most Hits. IF the scores are equal, the bet will be resulted as a draw/push.

Total Hits O/U

The total number of Hits made by both teams.

Total Runs+Hits+Errors In 1st Innings O/U

The total number of Runs, Hits and Errors made by both teams in the first inning.

Either Pitcher To Throw A Complete Game

Home or Away team pitcher to pitch the entire game without the benefit of a relief pitcher.

A Hit Scored In Every Inning

At least 1 Hit scored, by either team, in each inning of the game (includes any half innings played).

A Run Scored In Every Inning

At least 1 Run scored, by either team, in each inning of the game.

Perfect Game

Home or Away team pitcher(s) to pitch a victory that lasts a minimum of 9 innings and in which no opposing batter reaches any base during the course of the game.

Blown Save In Game

Home or Away team relief pitcher enters a game in a save situation but allows the tying run to score.

Either Pitcher To Throw A No-Hitter

Home or Away team pitcher to pitch the entire game without the benefit of a relief pitcher and the opposing team fails to score a Hit in the entire game.
